Divorce/Civil Partnership Dissolution

We can advise and assist you with all aspects of the court process as well as supporting you through sensitive negotiations regarding children and the financial aspects of a relationship breakdown.

Separating but don't want a Divorce yet?

Let us help you settle the terms of a Separation Agreement in an amicable fashion.

Prevention is better than cure

Our Family Team can help you protect your business and assets with a pre-nuptial agreement before your marriage.

Protecting your children's future

Turn to us for help with negotiations concerning your children and representation at court hearings.

Costs

Please ask for a copy of our current estimate of the likely costs to be incurred in a variety of cases. We will provide you with a cost estimate at the outset of your case and will advise you throughout of any aspect of your matter which may impact on that estimate.

You will know at each stage of your case the likely future costs to be incurred. We are happy to discuss with you an easy payment plan at the outset to suit your personal financial position.
